

Mobile Banking: Instant Balance

Check your balance in an instant using Instant Balance on your Mobile Device!

The new Instant Balance feature within Mobile Banking allows you to view the balance of up to **SIX ACCOUNTS** directly from the login screen without having to login.

To take advantage of Instant Balance, please follow these steps:

1. Login to Mobile Banking.
2. Click on the **More** tab at the bottom menu bar, and then click **Instant Balance**.
3. Turn the Instant Balance feature to the **ON** position.
4. Once the Instant Balance feature is in the **ON** position it will display the list of available accounts that can be viewed.
5. Then choose the accounts you would like to see within Instant Balance. You can choose up to **SIX ACCOUNTS**.
6. Press **Save**.
7. The Instant Balance Screen will show up and let you know it has been saved. Then press done.
